

Do you want to Start Fresh?

Would you like a chance to open a checking account?

Bank On Louisville's Start Fresh! Program is a service to persons who have been denied new accounts due to negative (non-fraud) banking histories, and who are willing to participate in a certified financial education program.

Here is what you need to do;

1. **Call one of Bank on Louisville's partnering financial education providers.**
Consumer Credit Counseling Service; 458-8840 or Louisville Urban League;
561-6830 or Women 4 Women; 561-8060 Ext. 228.
2. **Complete a free Start Fresh Financial Education workshop.** The program features information about checking account features and fees, saving money, budgeting, how to balance a checking account, fraud prevention and identity theft.
3. **Bring your Bank on Louisville "Start Fresh!" Certificate of Completion back to one of our participating financial institutions.** This will get you on your way to establishing a bank account and on a pathway of improved financial success!
